

**DRUG
FORMULARY
2024**

Triple-S Advantage

2024 Formulary

(List of Covered Drugs)

**PLEASE READ: THIS DOCUMENT CONTAINS INFORMATION
ABOUT THE DRUGS WE COVER IN THIS PLAN**

HPMS Approved Formulary File Submission ID: 00024399, Version 13

This formulary was updated on **March 19, 2024**. For more recent information or other questions, please contact Triple-S Advantage Member Service at 1-888-620-1919 (TTY users should call 1-866-620-2520), Monday to Sunday from 8:00 a.m. to 8:00 p.m. or visit www.sssadvantage.com.

To get more information about the copay that applies to you, please review the *Evidence of Coverage*.

Note to existing members: This formulary has changed since last year. Please review this document to make sure that it still contains the drugs you take.

When this drug list (formulary) refers to “we,” “us”, or “our,” it means Triple-S Advantage. When it refers to “plan” or “our plan,” it means 2024 **Real (HMO), AhorroMax (HMO), Enlace Plus (HMO), Contigo Plus (HMO-SNP), Magno (HMO-POS), Brillante (HMO-POS), Óptimo Plus (PPO), Óptimo Xtra (PPO), Triple-S Advantage Group Plan (HMO) y Triple-S Advantage Group Plan (PPO)**.

This document includes a list of the drugs (formulary) for our plan which is current as of **March 19, 2024**. For an updated formulary, please contact us. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

You must generally use network pharmacies to use your prescription drug benefit. Benefits, formulary, pharmacy network, and/or copayments/coinsurance may change on January 1, 2024 and from time to time during the year.

What is the Triple-S Advantage Formulary?

A formulary is a list of covered drugs selected by our plan in consultation with a team of health care providers, which represents the prescription therapies believed to be a necessary part of a quality treatment program. Our plan will generally cover the drugs listed in our formulary as long as the drug is medically necessary, the prescription is filled at a plan network pharmacy, and other plan rules are followed. For more information on how to fill your prescriptions, please review your Evidence of Coverage.

Can the Formulary (drug list) change?

Most changes in drug coverage happen on January 1, but Triple-S Advantage may add or remove drugs on the Drug List during the year, move them to different cost-sharing tiers, or add new restrictions. We must follow the Medicare rules in making these changes.

Changes that can affect you this year: In the below cases, you will be affected by coverage changes during the year:

- **New generic drugs.** We may immediately remove a brand-name drug on our Drug List if we are replacing it with a new generic drug that will appear on the same or lower cost-sharing tier and with the same or fewer restrictions. Also, when adding the new generic drug, we may decide to keep the brand-name drug on our Drug List, but immediately move it to a different cost-sharing tier or add new restrictions. If you are currently taking that brand-name drug, we may not tell you in advance before we make that change, but we will later provide you with information about the specific change(s) we have made.
 - If we make such a change, you or your prescriber can ask us to make an exception and continue to cover the brand-name drug for you. The notice we provide you will also include information on how to request an exception, and you can find information in the section below titled “How do I request an exception to the Triple-S Advantage Formulary?”
- **Drugs removed from the market.** If the Food and Drug Administration deems a drug on our formulary to be unsafe or the drug’s manufacturer removes the drug from the market, we will immediately remove the drug from our formulary and provide notice to members who take the drug.
- **Other changes.** We may make other changes that affect members currently taking a drug. For instance, we may add a new generic drug to replace a brand name drug currently on the formulary; or add new restrictions to the brand name drug or move it to a different cost-sharing tier or both. Or we may make changes based on new clinical guidelines. If we remove drugs from our formulary, add prior authorization, quantity limits and/or step therapy restrictions on a drug or move a drug to a higher cost-sharing tier, we must notify affected members of the change at least 30 days before the change becomes effective, or at the time the member requests a refill of the drug, at which time the member will receive a 30-day supply of the drug.

- If we make these other changes, you or your prescriber can ask us to make an exception and continue to cover the brand-name drug for you. The notice we provide you will also include information on how to request an exception, and you can also find information in the section below entitled “How do I request an exception to the Triple-S Advantage Formulary?”

Changes that will not affect you if you are currently taking the drug. Generally, if you are taking a drug on our 2024 formulary that was covered at the beginning of the year, we will not discontinue or reduce coverage of the drug during the 2024 coverage year except as described above. This means these drugs will remain available at the same cost-sharing and with no new restrictions for those members taking them for the remainder of the coverage year. You will not get direct notice this year about changes that do not affect you. However, on January 1 of the next year, such changes would affect you, and it is important to check the Drug List for the new benefit year for any changes to drugs.

The enclosed formulary is current as of **March 19, 2024**. To get updated information about the drugs covered by **Real (HMO), AhorroMax (HMO), Enlace Plus (HMO), Contigo Plus (HMO-SNP), Magno (HMO-POS), Brillante (HMO-POS), Óptimo Plus (PPO), Óptimo Xtra (PPO), Triple-S Advantage Group Plan (HMO) y Triple-S Advantage Group Plan (PPO)**, please contact us. Our contact information appears on the front and back cover pages.

How do I use the Formulary?

There are two ways to find your drug within the formulary:

Medical Condition

The formulary begins on **page 14**. The drugs in this formulary are grouped into categories depending on the type of medical conditions that they are used to treat. For example, drugs used to treat a heart condition are listed under the category, “Cardiovascular”. If you know what your drug is used for, look for the category name in the list that begins on **page 12**. Then look under the category name for your drug.

Alphabetical Listing

If you are not sure what category to look under, you should look for your drug in the Index that begins on **page 92**. The Index provides an alphabetical list of all of the drugs included in this document. Both brand-name drugs and generic drugs are listed in the Index. Look in the Index and find your drug. Next to your drug, you will see the page number where you can find coverage information. Turn to the page listed in the Index and find the name of your drug in the first column of the list.

What are generic drugs?

Our plan covers both brand-name drugs and generic drugs. A generic drug is approved by the FDA as having the same active ingredient as the brand-name drug. Generally, generic drugs cost less than brand name drugs.

Are there any restrictions on my coverage?

Some covered drugs may have additional requirements or limits on coverage. These requirements and limits may include:

- **Prior Authorization:** Our plan requires you [or your physician] to get prior authorization for certain drugs. This means that you will need to get approval from our plan before you fill your prescriptions. If you don't get approval, our plan may not cover the drug.
- **Quantity Limits:** For certain drugs, our plan limits the amount of the drug that we will cover. For example, our plan provides 9 per prescription for 30 days per prescription for *sumatriptan* 100mg tabs. This may be in addition to a standard one-month or three-month supply.
- **Step Therapy:** In some cases, our plan requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, our plan may not cover Drug B unless you try Drug A first. If Drug A does not work for you, our plan will then cover Drug B.

You can find out if your drug has any additional requirements or limits by looking in the formulary that begins on **page 14**. You can also get more information about the restrictions applied to specific covered drugs by visiting our website. We have posted online documents that explain our prior authorization restriction, step therapy restriction, prior authorization, and step therapy restrictions. You may also ask us to send you a copy. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

You can ask our plan to make an exception to these restrictions or limits or for a list of other, similar drugs that may treat your health condition. See the section, "How do I request an exception to the Triple-S Advantage formulary?" on **page 6** for information about how to request an exception.

What are over-the-counter (OTC) drugs?

OTC drugs are non-prescription drugs that are not normally covered by a Medicare Prescription Drug Plan. Our plan pays for certain OTC drugs. Our *plan* will provide these OTC drugs at no cost to you. You may find a list of these covered drugs on **page 91** of this formulary. The cost to our plan of these OTC drugs will not count toward your total Part D drug costs (that is, the cost of the OTC drugs does not count for the coverage gap).

What if my drug is not on the Formulary?

If your drug is not included in this formulary (list of covered drugs), you should first contact Member Services and ask if your drug is covered.

If you learn that Triple-S Advantage does not cover your drug, you have two options:

- You can ask Member Services for a list of similar drugs that are covered by our plan. When you receive the list, show it to your doctor and ask them to prescribe a similar drug that is covered by our plan.
- You can ask our plan to make an exception and cover your drug. See below for information about how to request an exception.

How do I request an exception to the Triple-S Advantage Formulary?

You can ask our plan to make an exception to our coverage rules. There are several types of exceptions that you can ask us to make.

- You can ask us to cover a drug even if it is not on our formulary. If approved, this drug will be covered at a pre-determined cost-sharing level, and you would not be able to ask us to provide the drug at a lower cost-sharing level.
- You can ask us to cover a formulary drug at lower cost-sharing level, unless the drug is on the specialty tier]. If approved, this would lower the amount you must pay for your drug.
- You can ask us to waive coverage restrictions or limits on your drug. For example, for certain drugs, our plan limits the amount of the drug that we will cover. If your drug has a quantity limit, you can ask us to waive the limit and cover a greater amount.

Generally, our plan will only approve your request for an exception if the alternative drugs included on the plan's formulary, the lower cost-sharing drug or additional utilization restrictions would not be as effective in treating your condition and/or would cause you to have adverse medical effects.

You should contact us to ask us for an initial coverage decision for a formulary, tiering, or utilization restriction exception. **When you request a formulary, tiering, or utilization restriction exception you should submit a statement from your prescriber or physician supporting your request.** Generally, we must make our decision within 72 hours of getting your prescriber's supporting statement. You can request an expedited (fast) exception if you or your doctor believe that your health could be seriously harmed by waiting up to 72 hours for a decision. If your request to expedite is granted, we must give you a decision no later than 24 hours after we get a supporting statement from your doctor or other prescriber.

What do I do before I can talk to my doctor about changing my drugs or requesting an exception?

As a new or continuing member in our plan you may be taking drugs that are not on our formulary. Or, you may be taking a drug that is on our formulary but your ability to get it is limited. For example, you may need a prior authorization from us before you can fill your prescription. You should talk to your doctor to decide if you should switch to an appropriate drug that we cover or request a formulary exception so that we will cover the drug you take. While you talk to your doctor to determine the right course of action for you, we may cover your drug in certain cases during the first 90 days you are a member of our plan.

For each of your drugs that is not on our formulary or if your ability to get your drugs is limited, we will cover a temporary month supply. If your prescription is written for fewer days, we'll allow refills to provide up to a maximum month supply of medication. After your first month supply, we will not pay for these drugs, even if you have been a member of the plan less than 90-days.

If you are a resident of a long-term care facility and you need a drug that is not on our formulary or if your ability to get your drugs is limited, but you are past the first 90-days of membership in our plan, we will cover a 31-day emergency supply of that drug while you pursue a formulary exception.

The following is the transition process for current members with level of care changes.

Level of Care Changes

- **Level of Care Changes** – include the following changes from one treatment setting to another:
 - a. Beneficiaries discharged from a hospital to a home.
 - b. Beneficiaries who end a skilled nursing facility stay covered under Medicare Part A (including pharmacy charges), and revert to coverage under Part D.
 - c. Beneficiaries who give up hospice status to revert standard Medicare Part A and B benefits.
 - d. Beneficiaries who end an LTC facility and return to the community.
 - e. Beneficiaries who are discharged from a psychiatric hospital with drugs regimens that are highly individualized.

Transition processes will allow a one-month transition supplies to be provided to current enrollees with Level of Care Changes. For more information, you can contact Triple-S Advantage Member Services.

For more information

For more detailed information about your Triple-S Advantage prescription drug coverage, please review your Evidence of Coverage and other plan materials.

If you have questions about Triple-S Advantage, please contact us. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

If you have general questions about Medicare prescription drug coverage, please call Medicare at 1-800-MEDICARE (1-800-633-4227) 24 hours a day/7 days a week. TTY users should call 1-877-486-2048. Or, visit www.medicare.gov.

Triple-S Advantage Formulary

The formulary provides coverage information about the drugs covered by Triple-S Advantage. If you have trouble finding your drug in the list, turn to the Index that begins on **page 92**.

The first column of the chart lists the drug name. Brand-name drugs are capitalized (e.g., HUMALOG) and generic drugs are listed in lower-case italics (e.g., *diclofenac potassium*).

The information in the Requirements/Limits column tells you if Triple-S Advantage has any special requirements for coverage of your drug.

ABBREVIATIONS DESCRIPTION REQUIREMENTS / LIMITS

Description	Abbreviations
High Risk This prescription drug is considered high risk for people 65 years of age and older.	HR
Home Infusion This prescription drug may be covered under our medical benefit. For more information, call Member Services at 1-888-620-1919, from Monday to Sunday from 8:00 a.m. to 8:00 p.m. TTY users should call 1-866-620-2520.	HI
Limit Access This prescription may be available only at certain pharmacies. For more information consult your Pharmacy Directory or call Member Services at 1-888-620-1919, from Monday to Sunday from 8:00 a.m. to 8:00 p.m. TTY users should call 1-866-620-2520.	LA
Mail Order	MO
Prior Authorization	PA
Prior Authorization B vs D	PA (*)
Prior Authorization Clinical Criteria and Part B vs D	PA^
Quantity Limit	QL
First Fill Quantity Limit	FQL
Step Therapy	ST
Coverage Gap The plan offers additional coverage for drugs prescribed in the coverage gap. Please refer to your Evidence of Coverage for additional information about this coverage.	CG

At the end of the formulary you will find a chart name *“List of additional covered medication”*; This prescription drug is not normally covered in a Medicare Prescription Drug Plan. The amount you pay when you fill a prescription for this drug does not count towards your total drug costs (that is, the amount you pay does not help you qualify for catastrophic coverage). In addition, if you are receiving extra help to pay for your prescriptions, you will not get any extra help to pay for this drug.

Member Services also has free language interpreter services available for non-English speakers.

This document is also available in alternate formats such as Braille, large print, and audio tapes.

Triple-S Advantage, Inc. is an independent Licensee of BlueCross BlueShield Association.

ANTIMYASTHENIC AGENTS [AGENTES ANTIMIASTÉNICOS]			

¹ Please refer to page 9 for a list of abbreviations for requirements / limits

Drug Name [Nombre del Medicamento]	Drug Tier [Nivel]	Reference Name [Nombre de Referencia]	Requirements/Limits ¹ [Requisitos/Límites]
Parasympathomimetics [Parasimpatomiméticos]			
<i>pyridostigmine bromide 60 mg tab</i>	2	MESTINON	CG
<i>pyridostigmine bromide er 180 mg tab er</i>	2	MESTINON	CG
ANTIMYCOBACTERIALS [ANTIMICOBACTERIANOS]			
Antimycobacterials, Other [Antimicobacterianos, Otros]			
<i>dapsone 100 mg tab, 25 mg tab</i>	2		MO, CG
<i>rifabutin 150 mg cap</i>	2	MYCOBUTIN	CG
Antituberculars [Antituberculosos]			
<i>ethambutol hcl 100 mg tab, 400 mg tab</i>	2	MYAMBUTOL	CG
<i>isoniazid 100 mg tab, 300 mg tab</i>	1		MO, CG
<i>isoniazid 50 mg/5ml syr</i>	2		MO, CG
<i>pretomanid 200 mg tab</i>	2		PA, CG
PRIFTIN 150 mg tab	4		
<i>pyrazinamide 500 mg tab</i>	2		CG
<i>rifampin 150 mg cap, 300 mg cap</i>	2	RIFADIN	CG
<i>rifampin 600 mg iv soln</i>	2	RIFADIN	PA(*), HI, CG
SIRTURO 100 mg tab, 20 mg tab	5		PA, FQL
TRECTOR 250 mg tab	4		
ANTINEOPLASTICS [ANTINEOPLÁSICOS]			
Alkylating Agents [Agentes Alquilantes]			
<i>cyclophosphamide 25 mg cap, 50 mg cap</i>	2		PA(*), CG, FQL
GLEOSTINE 10 mg cap, 40 mg cap	4		PA
GLEOSTINE 100 mg cap	5		PA
LEUKERAN 2 mg tab	4		FQL
MATULANE 50 mg cap	5		FQL
VALCHLOR 0.016 % gel	5		
Antiandrogens [Antiandrógenos]			
<i>abiraterone acetate 250 mg tab</i>	2	ZYTIGA	PA, CG, FQL
<i>abiraterone acetate 500 mg tab</i>	5	ZYTIGA	PA, FQL
<i>bicalutamide 50 mg tab</i>	1	CASODEX	CG
ERLEADA 240 mg tab, 60 mg tab	5		PA, FQL
<i>nilutamide 150 mg tab</i>	5	NILANDRON	FQL
NUBEQA 300 mg tab	5		PA, FQL
XTANDI 40 mg cap, 40 mg tab, 80 mg tab	5		PA, FQL
Antiangiogenic Agents [Agentes Antiangiogénicos]			

¹ Please refer to page 9 for a list of abbreviations for requirements / limits

Drug Name [Nombre del Medicamento]	Drug Tier [Nivel]	Reference Name [Nombre de Referencia]	Requirements/Limits ¹ [Requisitos/Límites]
<i>lenalidomide 10 mg cap, 15 mg cap, 2.5 mg cap, 20 mg cap, 25 mg cap, 5 mg cap</i>	5	REVLIMID	PA
POMALYST 1 mg cap, 2 mg cap, 3 mg cap, 4 mg cap	5		PA, FQL
REVLIMID 10 mg cap, 15 mg cap, 2.5 mg cap, 20 mg cap, 25 mg cap, 5 mg cap	5		PA, LA, FQL
